

INTERNATIONAL CONFERENCE OF BIOCHEMISTRY, MOLECULAR BIOLOGY & LABORATORY MEDICINE 2025

ICBMBLM2025

in conjunction with the

35TH MACB & 49TH MSBMB ANNUAL CONFERENCE

CHARTING NEW FRONTIERS:
Integrating Sustainable Innovations for
Next Generation Healthcare

SAVE
THE DATE

25 - 27 August 2025

M World Hotel,
Petaling Jaya
Malaysia

Day 1 Workshops / Symposia

- Malaysian Association of Clinical Biochemists (MACB) Pre-Conference Workshop.
- International Union of Biochemistry and Molecular Biology (IUBMB) Education Symposia 2025.

Day 2 & 3 Main Conference

- Discover the latest scientific advancements & transformative innovations in clinical & molecular diagnostics, biomarker discovery, metabolic diseases, genetic research & lab technologies; showcasing breakthrough solutions that are reshaping the field & improving patient outcomes
